Empowering to Excel

Greetings from Christ School ICSE, Bengaluru

This is to inform you that **TERI (The Energy and Resources Institute)** invites the students to participate in the prestigious environment examination '**GREEN Olympiad**' – the first National and International level annual environment examination for school children organized since 1999.

The examination serves a dual purpose of **testing the environment quotient of students and enhancing their understanding about various issues related to Sustainable Development**. This test comprises of topics like water, waste, energy, air, agriculture, urban landscapes, biodiversity, health, climate change and contemporary environment issues. There will be a special section on COVID-19 to create awareness amongst students.

The examination will be conducted **ONLINE** so that the students can appear from anywhere at their convenience. This Olympiad is open for students of **classes 4 to 10**. All participants will receive certificates based on their performance. The **last date for registration is 20th October (Tuesday)**.

Date(s) of Examination: 26 November 2020 or 17 December 2020

Duration: 1 hour (at any time between 9:00 am – 6:00 pm)

Register here: <https://www.teriin.org/olympiad/registration/>

Registration Fee: ₹75

Please visit the project website for further details: <https://www.teriin.org/olympiad>

We look forward to your active participation in this unique initiative.

Fr. Nilson Davis CMI
